The DEUTZ-FAHR Collectibles and Toys Collection 2017

SCALED TO PERFECTION

Discover the DEUTZ-FAHR toys and scale models collection. A wide range of products for the children to play with or for the DEUTZ-FAHR enthusiast to collect.

The scale models vary in size from 1:16 to 1:87. The biggest models are ideal for children to play with their DEUTZ-FAHR. The collectibles are made with precision and attention to the smallest details.

A large collection of pedal tractors and trailers are perfect for playing around the field. Whether you are looking for a DEUTZ-FAHR 5120 with a front loader or the 7250 TTV Warrior Edition, you can get it on the DEUTZ-FAHR merchandise webshop.

Discover the DEUTZ-FAHR toys and collectibles on [www.deutz-fahrcollection.com](http://www.deutz-fahrcollection.com) or at your local DEUTZ-FAHR dealer.

The DEUTZ-FAHR 7250 TTV Agrotion is the toughest looking pedal tractor. From a basic model (47) or with frontloader (44). But also like number 45, 46 and 48 with pneumatic tyres. Number 46 has also 2 gears. And number 48 is the 7250 TTV Agrotion "dressed" like a real knight in black - the "Warrior".
